Entry: John, I am deeply saddened to learn of your passing, but at the same time happy to know that you are pain free and with our Lord. We will see each other again in glory. It isn't everyday that honest and good poeple come into our lives. People like you and your darling wife Kathy, who have been so wonderful to me for the past nineteen years. I will always cherish the afternoon talks under that big ole shady tree in your front yard. And I truly appreciate that you were always there to help in any capacity whenever needed. I am going to miss you my friend, but you rest now, in the loving arms of the Father. Thank you for the priviledge of allowing me to be able to say that you are my friend! In His Love...Rose
