Entry:I'll never see you again & that saddens me. Bill & I were trying to see how we could get you & Louise for a dinner, now unfortunately that will not happen. I will remember the good times at Walmart were we became friends. You & I working side by side on 37-38 registers. Our dinners every 2nd Tuesday of the month.Sweet Howard whom I had the pleasure of meeting. Your putting me in my place when I ran my mouth off & just being able to talk to you. We lost track of each other thats sad & probably my fault. We were both Cancer survivors & had lots to discuss . I want you to know I love you & will miss you my dear friend
